

# As We Pray (feat. Thomas Miller)

## Gateway Worship

As we pray, the darkness turns to light  
As we pray, the will of god and man align  
With one voice we lift our hands to say  
We only trust in Jesus name  
Lord of mercy hear this prayer we raise  
Let heaven's gates be open  
Let words of life be spoken  
Not ours but your will be done,  
Father as we pray to youAs we pray, the blind are given sight  
As we pray, the heart of god and man unite  
With one voice we lift our hands to say  
We only trust in Jesus name  
Lord of mercy hear this prayer we raise  
Let heaven's gates be open  
Let words of life be spoken  
Not ours but your will be done,  
Father as we pray to you  
Bring freedom and forgivenessBring healing and repentance  
For only you can save us  
Father as we pray to youWe lift one voice to one god, for one cause, that all way know you  
One voice to one god, for one cause, that all way know you  
One voice to one god, for one cause, that all way know your love
