Up, Up and Away

Nancy Sinatra

Would you like to ride in my beautiful balloon?
Would you like to glide in my beautiful balloon?
We could float among the stars together you and IFor we can fly, yeah, we can fly
Up, up and away in my beautiful
My beautiful balloonThe world's a nicer place in my beautiful balloon
It wears a nicer face in my beautiful balloon
We can sing a song and sail along the silver skyFor we can fly, wee, we can fly
Up, up and away in my beautiful
My beautiful balloonSuspended under the twilight canopy
We'll search the clouds for a star to guide us
If by some chance you find yourself loving me
We'll find a cloud to hide us
People lean beside usLove is waiting there in my beautiful balloon
Away up in the air in my beautiful balloon
If you hold my hand we'll chase a dream
Across the skyFor we can fly, we can fly
(Come on let's fly)
Up, up and away in my beautiful
My beautiful balloonIn my pretty balloon
My balloon, my balloon
