Happy Hours

John De Sohn

I wonder how, I wonder why we're living by this state of rules at all
I'm drawn between polarities, but gravity won't take my control
I'm running out into the wild without a destination or goal
All I need is clarity, but you don't seem to get me at allWhy wait for a happy ending when all you need is the happy hours?
All we need is the happy hours
Why wait for a happy ending when all you need is the happy hours?
All we need is the happy hours[INSTRUMENTAL BREAK]All we need is the happy hours[INSTRUMENTAL BREAK]All we need is the happy hoursI'm humming on the melody that's flaming loud inside of our soul
Don't set your limits, set your goal and learn to walk before you can crawl
I'm running out into the wild without a destination or goal
All I need is clarity, but you don't seem to get me at allWhy wait for a happy ending when all you need is the happy hours?
All we need is the happy hours
Why wait for a happy ending when all you need is the happy hours?
All we need is the happy hours[INSTRUMENTAL BREAK]It's all that we need now
It's all that we need now
All we need is the happy hours[INSTRUMENTAL BREAK]All we need is the happy hours.[INSTRUMENTAL BREAK]All we need is the happy hours.
