Throw Me A Rope

KT Tunstall

I want you between me and the feeling I get when I miss you
But everything here's telling me I should be fine
So why is it so, above as below
When I'm missing you every timeI got used to you whispering things to me into the evening
We followed the sun and its colors and left this world
It seems to me that I'm definitely hearing the best that I've heardSo throw me a rope to hold me in place
Show me a clock for counting my days down
'Cause everything's easier when you're beside me
Come back and find me, 'cause I feel aloneAnd whenever you go, it's like holding my breath under water
I have to admit that I kinda like it when I do
Oh, but I've gotta be unconditionally unafraid
Of my days without you
