

# Let It Rain

[Kris Allen](#)

So many things are trying to keep me  
And so many voices trying to reach me  
To tell me that this is not the way  
To tell me that this is my mistake Oh, let the rain keep falling down  
'Cause it won't stop me from getting where I'm bound  
Maybe I'm crazy, maybe it's too late  
But I'm gonna make it, don't care what the skies say  
So oh, let it rain, let it rain I know that this is not the way  
That you imagined it would be  
Oh, but nothing you say is gonna stop me  
No matter the weather that you bring Oh, let the rain keep falling down  
'Cause it won't stop me from getting where I'm bound  
Maybe I'm crazy, maybe it's too late  
But I'm gonna make it, don't care what the skies say  
So oh, let it rain, let it rain, let it rain, let it rain So many things are trying to keep me  
So many voices trying to reach me So oh, let the rain keep falling down  
'Cause it won't stop me from getting where I'm bound, yeah  
Maybe I'm crazy, maybe it's too late  
But I'm gonna make it, don't care what the skies say  
So oh, let it rain, let it rain, let it rain, let it rain, let it rain, let it rain So many things are trying to keep me
