Yeah, wassup girl, how u feelin' oh me, I'm alright
See, I been watching you for a while now
I feel like we should take it to the next level
See you over there with ya girls chillin', caught my attention
I was hangin' with my fellas
That's when I wanted to approach you get to know you
Baby can I get cha number, catch a readin'

Lookin' sexy wit' cha belly ring
So, I walked over
Stepped to you
Played it cool and asked
"Do you have a boyfriend?"
