

Better Than This

Six Part Invention

I said, "Don't go"
I said, "Don't leave"
But you wasted all my time
Pretending you were mine
It's a let down, heartbreak
 Fast breath, slow ache
It ain't gettin' no better than this
 It's a let down, heartbreak
 Fast breath, slow ache
It ain't gettin' no better than this
 So I said, "Screw it, eh, eh"
 I said, "Hold on"
You said, "Something's wrong"
 And you wasted all your lies
 I thought we were fine
 It's a let down, heartbreak
 Fast breath, slow ache
It ain't gettin' no better than this
 It's a let down, heartbreak
 Fast breath, slow ache
It ain't gettin' no better than this
 And it's been a while
 I'm still on fire, I'm not tiring
 You're just a liar
 I'm just a buyer of your badness
 It's a let down, heartbreak
 Fast breath, slow ache
It ain't gettin' no better than this
 It's a let down, heartbreak
 Fast breath, slow ache
 It ain't gettin' no better
 It's a let down, heartbreak
 Fast breath, slow ache
It ain't gettin' no better than this
 It's a let down, heartbreak
 Fast breath, slow ache
It ain't gettin' no better than this
It ain't getting better, better than this
It ain't getting better, better than this

It ain't getting better, better than this
It ain't getting better, better than this
 Better, better than this
