So Close and Yet So Far Away

Strawbs

You're my secret
You're my inspiration
You're my journey
You're my destination
You have always
Been so close and yet so far away
You're my best friend
You're my total stranger
You're my lifeline
You're my hint of danger
You have always
Been so close and yet so far away
In my hour of need
I call on you
To comfort me
But you could only set me free
You're my memories
You're my Rock of Ages
You're my future
You're my empty pages
You have always
Been so close and yet so far away . . .
