

# Uncertain Weather

## Genesis

A day of uncertain weather  
Captured in a frame forever  
A face in a faded photographHe must have had a life  
Maybe with a family  
People who meant everything to him  
A sinner, a saint, a soldier  
Caught up in a war he never  
Had a chance to start or build a lifeAll gone, long ago  
Leavin' no trace  
Disappearin' like smoke in the wind  
To become just a face without a name  
Leavin' no trace  
Disappearin' like smoke in the windHopes and fears important plans  
Forgotten memories  
Footsteps fadin' in the sand, ohh oh  
Schemes and dreams, small and grand  
Nothin' left to see  
Footsteps fadin' in the sand, ohh ohSomeone who cast a shadow  
Maybe just a lazy man  
Doesn't make much difference now it's true  
A day of uncertain weather  
Captured in a frame forever  
A face in a faded photographAll gone, long ago, ooh  
Leavin' no trace  
Disappearin' like smoke in the wind  
To become, just a face without a name  
One more to add to the total  
Of those never heard of againYes, he's gone  
Just a face without a name  
Leavin' no trace  
Disappearin' like smoke in the wind  
All gone  
Just a face without a name  
Leavin' no trace  
Disappearin' like smoke in the wind
