Control Freak

Breakbeat Era

Sleaze on the slide, control freak, freakin' out
On the dance floor, deep inside
Sleaze on the slide, control freak, freakin' out
On the dance floor, deep insideSleaze on the slide, control freak, freakin' out
On the dance floor, deep inside
Sleaze on the slide, control freak, freakin' out
On the dance floor, deep insideSleaze on the slide, control freak, freakin' out
On the dance floor, deep inside
Skin decide, I feel alive
No love indecision, in the summer timeSleaze on the slide, control freak, freakin' out
On the dance floor, deep inside
Time to time, I sympathize
No rhyme, no reason in the summer timeSleaze on the slide, control freak, freakin' out
On the dance floor, deep inside
Skin decide, I feel alive
No love indecision, in the summer timeSleaze on the slide, control freak, freakin' out
On the dance floor, deep inside
Time to time, I sympathize
No rhyme, no reason in the summer timeSleaze on the slide, control freak, freakin' out
On the dance floor, deep inside
Skin decide, I feel alive
No love indecision, in the summer timeSleaze on the slide, control freakSleaze on the slide, control freak, freakin' out
