

# How Long Will I Love You?

**Ellie Goulding**

(Hmm)

How long will I love you  
As long as stars are above you  
And longer if I canHow long will I need you  
As long as the seasons need to  
Follow their planHow long will I be with you  
As long as the sea is bound to  
Wash upon the sandHow long will I want you  
As long as you want me to  
And longer by farHow long will I hold you  
As long as your father told you  
As long as you canHow long will I give to you  
As long as I live through you  
However long you stayHow long will I love you  
As long as stars are above you  
And longer if I may  
(Hmm)How long will I love you  
As long as stars are above you
