

Drown (ft. Somong & Kenny Dark)

Ja Rule

Please don't let me drown drown drown(I'm so cold)
Please don't let me drown drown drown(Don't let me drown)
Please don't let me drown drown drown(I'm so cold)
Please don't let me
Please don't let me Yes sir
They fought me I'm going in the downer shape
Into the darker days
Please don't let me drown (drown)
All life was fatally
The burst of your judgment day
Please don't let me drown
(Don't let me, don't let me, don't let me, don't let me) Drown drown drown
Lord let me take it both water like the French quarter
I'm so walker now
I'm overlooking the ocean
From the deck of the yacht the view's gorgeous
They have the shark in the waters
But is the few who's among us
nigga, they wanna bite like piranha
I overflow near DiCaprio
I'm top ten bigger than life the aura
If this ship sink nigga I'm gonna walk on water
Gigantic but Jesus I'm of the Christian manic
How do I manage? To be above average and not ever again
To be the one to dive in knowing I can't swim
For me to go under not breathing
I'm drowning I'm going in the downer shape
Into the darker days
Please don't let me drown (drown)
All life was fatally
The burst of your judgment day
Please don't let me drown
(Don't let me, don't let me, don't let me, don't let me) Pray for me 'cause I tested positive
For being the shit now niggas won't touch me
And I'm allergic to broke niggas, trust me
Independent, been in the blood since a young gun
So I'm thinking there ain't no cure for my illness
And the diagnose is just something I could live with
'Cause I'd have make it rain on bitches, storm on niggas

Cash flow like rivers (Please don't let me drown)
 The drifting it wasn't enough for me
 To be in the deepest of waters, to feel like I'm snorkeling
 Off shore and this so reassuring
 That I'm still sick, in need of a donor
 'Cause I'm heartless, so I dive in
 No life vest, knowing I can't swim
 So if I go under and I'm breathing
 Am I drowning? I'm going in the downer shape
 Into the darker days
 Please don't let me drown (drown)
 All life was fatally
 The burst of your judgment day
 Please don't let me drown
 (Don't let me, don't let me, don't let me, don't let me) This is the story of a girl (pray)
 Who cried a river and drowned the whole world (they fought me)
 I told her cry me a river, little mama don't give up
 Daddy's here to deliver, the world is cold
 So them tears you can tie them up
 Just don't wanna let 'em running down your face
 Baby the world is frozen
 I told her if she shared it with me then it'd be ours
 Like anything you maw
 How can you give and drown?
 Under water I can't hear a sound but I
 See the rain dropping like tears from God am I
 Mother's telling me that it's a sign of wealth
 When I don't think the Lord is too fond of her
 But there's gotta be a reason
 I'm not drowning, right? I'm going in the downer shape
 Into the darker days (kill my lights in here baby)
 Please don't let me drown (drown)
 All life was fatally (it's black out now)
 The burst of your judgment day
 Please don't let me drown
 (Don't let me, don't let me, don't let me, don't let me)
 Please don't let me drown
 (Don't let me, don't let me, don't let me, don't let me)
