

Me

Plumb

I haven't had a chance to sleep
And when I wake, I wake with your dreams
I guess, my pillow holds some kind of key
To your peace, your peace
Me, I wouldn't trade your love
For all the candy in this great big world
Me, I feel so crazy blessed and oh, so lucky
To be the place you go when you need to feel safe
When you need a kiss, it's me
I haven't showered and I try to eat
But all your tears, oh, they needed me
I need some time, some time to think
Then I hear you, what you need is
Me, I wouldn't trade your love
For all the candy in this great big world
Me, I feel so crazy blessed and oh, so lucky
To be the place you go, I'll wash your face
To make room for all the kisses of tomorrow
And everyday that I get to be here with you is sweet
Me, I wouldn't trade your love
For all the candy in this great big world
Me, I feel so crazy blessed and oh, so lucky
To be the place you go when you need to feel safe
When you need a kiss, oh, don't be afraid
'Cause what you'll have is me
