

Fast Sinking

Clifford T. Ward

Sue, you've been drinkin'
Or you wouldn't say the things you say
Drinkin' again, it never was your way.Maybe I'm old fashioned
And maybe I've lost some of my shine
But as to your drinkin', galivantin', I draw the line.I remember when butter wouldn't melt in your mouth
But your sweet smile changed its style.Sue, you've been drinkin'
And you're not the girl I knew
Drinkin', and it's really not amusin'.INSTRUMENTALI remember when butter wouldn't melt in your mouth
But your sweet smile changed its style.Sue, drinkin'
And I think we know our love is through
Fast sinkin', there's not a lot we can do.
