

# Don't Go to Chattanooga

**Bobby Bare Jr.**

i dont wanna go to chattanooga  
i wanna stay here with you  
i dont wanna go to chattanooga  
the judge says its what i gotta do  
ooh who laying here with you  
will you wait 4 weeks for me  
will you wait 4 weeks for me  
the moon is shining on the water  
and the water is all over you  
love me one last time in the water  
to manchester i will walk with you  
ooh who going home with you  
will you wait 4 weeks for me  
will you wait 4 weeks for me
