Pine Point

PUP

Oh at Pine Point, where I was born,
The roads are all overgrown,
And no ones lived there for years.The town was never the same,
The mine was closed in '88,
And everyone disappeared.In Pine Point, '86,
My older brother died when we were kids,
His best friend was wasted at the wheel.Oh at Pine Point, nothing but memories,
The abandoned cemeteries,
Where we buried our families.And I hope you know what you're doing,
Up at Pine Point,
Where I kept my eye on the prize,
And it was you, it was you.Oh at Pine Point,
Where I kept my eye on the prize,
And it was you, it was you.Oh Pine Point is deteriorating,
And your memories started fading,
So you called to let me know.You said, "it seems like forever,
Since we seen each other,
Where does the time go?"And I say, "I hope you know,
What you're doing,
At Pine Point,
At the house we grew up in."You said, "The room you were born in,
It was just how you left it."Oh at Pine Point,
Where I kept my eye on the prize,
And it was you, it was you.
Oh at Pine Point,
Where I kept my eye on the prize,
And it was you, it was you.I hope you know,
I hope you know, what you're doing after all,
I hope that you know.I hope you know,
I hope you know, what you're doing after all,
I hope that you know,
What you're doing.
