

Better the Devil You Know (Live In New York)

Kylie Minogue

Better the devil you know
Better the devil you know
Better the devil you know
Better the devil you know Say you won't leave me no more
I'll take you back again
No more excuses no, no
'Cos I've heard them all before
A hundred times or more I'll forgive and forget
If you say, you'll never go
'Cos it's true what they say
It's better the devil you know Our love wasn't perfect, I know
I think, I know the score
You say you love me, oh boy
I can't ask for more
I'll come if you should call I'll forgive and forget
If you say, you'll never go
'Cos it's true what they say
It's better the devil you know I'll be here every day
Waitin' for your love to show
Yes, it's true what they say
It's better the devil you know I'll take you back
I'll take you back again
I'll take you back
I'll take you back again Say you won't leave me no more
I'll take you back again
No more excuses no, no
'Cos I've heard them all before
A hundred times or more I'll forgive and forget
If you say, you'll never go
'Cos it's true what they say
It's better the devil you know I'll be here every day
Waitin' for your love to show
Yes, it's true what they say
It's better the devil you know I'll forgive and forget
If you say, you'll never go
'Cos it's true what they say
It's better the devil you know
