I Can't See You

[Dokken](#)

You keep me waitin'
Why I don't know
Seems like forever
You know the show
I wanna see you
Don't want it to end
But when I'm callin'
You tell me again
I can't see you anymore
I can't see you anymore
All my friends keep tellin' me, yeah
That I'm just a fool
But baby, I can't help myself
I'm in love with you
Give me just one chance
And I'll make it right
Could be forever
Don't tell me tonight
I can't see you anymore
I can't see you anymore

All my friends keep tellin' me, yeah
That I'm just a fool
But baby, I can't help myself
I'm in love with you
Give me just one chance
And I'll make it right
Could be forever
Don't tell me tonight
I can't see you anymore
I can't see you anymore
I can't see you anymore
I can't see you anymore
I can't see you anymore
I can't see you anymore
I can't see you anymore
I can't see you anymore
I can't see you anymore
I can't see you anymore
