

# Step Inside Love (Demo)

## Cilla Black

Step inside love  
Let me find you a place  
Where the curse of the day  
Will be carried away  
By the smile on your face  
We are together now and forever  
Come my wayStep inside love and stay  
Step inside love  
Step inside love  
Step inside love  
I want you to stayYou look tired, love  
Let me turn down the light  
Come in out of the cold  
Rest your head on my shoulder  
And love me tonight  
I'll always be here if you should need me  
Night and dayStep inside love and stay  
Step inside love  
Step inside love  
Step inside love  
I want you to stayWhen you leave me  
Say you'll see me again  
For I know in my heart  
We will not be apart  
And I'll miss you till then  
We'll be together now and forever  
Come my wayStep inside love and stay  
Step inside love  
I want you to  
Step inside love  
You know I do  
Step inside love  
I want you to stay
