

# This Magic Moment

**Billy Joe Royal**

This magic moment, so different and so new  
Was like any other until I kissed you  
And then it happened, it took me by surprise  
I knew that you felt it too, By the look in your eyes

Sweeter than wine, Softer than the summer night  
Everything I want I have, whenever I hold you tight  
This magic moment, While you lips are close to mine  
Will last forever, forever till the end of time

Sweeter than wine, Softer than the summer night  
Everything I want I have, whenever I hold you tight  
This magic moment, While you lips are close to mine  
Will last forever, forever till the end of time

Magic moment
