## PUP

Your sister thinks that I'm a freak  
She's been ignoring my calls  
We haven't spoken in a week  
I get so drunk that I can't speak  
Yeah, nothing's workin' and our future's lookin bleak  
And I say woooh woooh woooh  
Three beers and I'm so messed up  
Get drunk and I can't shut up  
(woooh woooh woooh)  
She says that I drink too much  
I fucked up and she hates my guts  
She says I need to grow upI'm driving fast to get away  
Doing 180 on the Don Valley Parkway  
Yeah, I'd be better off dead  
I don't give a shit  
I just don't wanna die and I don't wanna live  
I said woooh woooh woooh  
Three beers and I'm so messed up  
Get drunk and I can't shut up  
(woooh woooh woooh)  
She says that I drink too much  
I fucked up and she hates my guts  
She says I need to grow upI drink till I'm staring at the ceiling  
I'll be just fine cuz I'm numb and losing feeling  
I can't tell lies anymore  
(woooh woooh woooh)  
Three beers and I'm so messed up  
Get drunk and I can't shut up  
(woooh woooh woooh)  
She says I drink too much  
I fucked up and she hates my guts  
(woooh woooh woooh)  
I just don't know what to do  
I'm still fucked up over you  
(woooh woooh woooh)  
She says I drink too much  
Hawaiian red fruit punch  
She says I need to grow up
