

Breathless

Shankar Mahadevan

koi jo mila tho mujhe aisa lagtha tha jaise meri sari duniya mein
geethon ki ruth aur rangonki barkha hai khushbu ki andhi hai
mahki hui si ab sari fizaenhai bahki hui si ab sari havaen hai
khooi hui si ab sari dishaen hai badli hui si ab sari adaen hai
jaagi umange hai, dhadak raha hai dil sason mein thoofan hai
hoton pe nagmein hai, aankhon mein sapne hai beethe hue sare woh lamhe hai
jab koi aya tha, nazron pe chaya tha dil mein samaya tha, kaise mein
bathaun thumhe kaisa use paya tha pyar se chehre pe bikhri jo
julfe tho aisa lagtha tha jaise kohre ke peeche ek os mein hdula hua
phool khila hai jaise badal mein ek chand chupa hai aur jhank raha hai
jaise raath ke parde mein ek savera hai roshan roshan ankhon mein sapno
ka sagar jisme prem sitharon ki chadar jaise jhalak rahi hai lahron lahron
baath kare tho jaise mothi barse jaise kahiin chandi ki payar goonje jaise
kahi sheeshe ke jaam gire aur chance toote jaise koi chupke sithar bajae jaise
koi chandni raath mein gaaye jaise koi hole se paas bulae.
kaisi meeti bathein thi woh kaisi mulakhathen thi woh jab maine jana tha
nazron se kaise pigalthe hai dil aur aarzo pathi hai kaise manzil aur kaise uthar
tha hai chand jameen par kaise kabhi lagtha hai swarg agarhai to bas hai yahin par
usne bathaya mujhe aur samjhaya mujhe hum jo mile hai hum jaise hi milna tha ghul jo
khile hai, unhe jaise hi khilna tha janmon ke bandhan, janmon ke rishthe hai
jab bhi hum janme tho hum yahin milthe hai kanom me mere jaise shahad se
ghulne lage khwabon ki duniya bhi kithni hasin aur kaisi rangi thi khwaabon ki
duniya jo kahne ko thi par kahin bhi nahi thi khwab jo tute mere ankhen jo
khuli meri hosh jo aya mujhe maine dekha maine jaana woh jo kabhi aya tha
nazron pe chayatha dil mein samaya ta jaa bhi chuka hai aur dil mera ab hai
thanha thanha naa tho koi arman hai, naa koi thamanna hai aur naa koi sapna
hai ab jo mere din aur ab jo meri raath hai unmein sirf aansoo hai unme
sirf dard ki ranj ki baathein hai aur faryad hai mera ab koi nahi, mai hoon aur khoe hue
pyaar ki yaadein hai
