Attention

The Academy Is...

Attention, attention, may I have all your eyes and ears

To the front of the room if only, if only for one secondThis table has taken a turn for the worst

Rock bottom and over the edge

Well, its not like it hurts that much anywayUpside-down and inside-out When I leave here Im going alone

Well, its not like, not like it hurts much anywayAttention, attention, may I have all your eyes and ears

To the front of the room if only, if only for one second

Did you hear what I have to?Oh, did I mention when I see you it stings like hell?

To the fact that we could have something thatll never happen

Did you hear what I have to? This balance has weighed out our hearts desire

Im trying to make it alone

Well, its not like it hurts that much anywayUpside-down and inside out

When I leave here Im going alone

But Im dying, Im dying to touch

And its not like it, not like it hurts much anywayAttention, attention, may I have all your eyes and ears

To the front of the room if only, if only for one second

Did you hear what I have to?Oh, did I mention when I see you it stings like hell?

To the fact that we could have something, somethingAttention, attention, may I have all your eyes and ears

To the front of the room if only, if only for one second

Did you hear what I have to?Oh, did I mention when I see you it stings like hell?

To the fact that we could have something that I never happen

Did you hear what I have to? Attention, attention

Upside-down and inside-out
Attention, attention
Upside-down and inside-out
