Royalty

Young Dolph

Royalty, yeah royalty, royalty, royalty
(Ain't nothing but made men with me)
Treat all of my niggas like royalty (My brothers)
And all of my bitches they loyal to me (Yeah)
Aye aye yeah royalty, (kings) royalty, royalty, royalty, royalty
Treat all of my niggas like royalty (Woooo)
And all of my bitches they loyal to meMy lil bitch just asked me dolph what do you need your highness
I just spent 100 with TV Johnny just on diamonds (Bling)
Spent another 60 with Elliot yeah for perfect timing
Too much money in front of me put bullshit behind me
Hear no evil, see no evil, I just see dead prez
My boys stupid with the choppers, some young dread heads
Nah I ain't coming to America, I'm coming to California
All my bitches loyal to me thats how I got my diploma
Versace robe, gold Cartier
I do what I want with this shit like Kanye
I only drink syrup, no Bombay
I knew I was gon' do this shit one day
You get too much money, then they get afraid
My great great grandaddy used to be a slave
They start to hate on you when you get paid
Fuck it, I guess thats the price that you payRoyalty, yeah royalty, royalty, royalty
(Ain't nothing but made men with me)
Treat all of my niggas like royalty (My brothers)
And all of my bitches they loyal to me (Yeah)
Aye aye yeah royalty, (kings) royalty, royalty, royalty, royalty
Treat all of my niggas like royalty (Woooo)
And all of my bitches they loyal to meMy trap house is my castle, my bitch my trap queen
I ain't seen a crack fiend yo bitch look like a drag queen (What the fuck)
I bust down 2 milli in 20's and put in the wall (Racks, racks)
I told all my bitches can't get in my car with no draws
I wanna fuck bad but, I'm sorry I can't put it in raw
Me and my lil boys just went spent 20 in the mall
I'mma dog, a dog, a motherfuckin' dog
I'mma ball 'til I fall and I ain't fuckin' with y'all
All my niggas wear crowns, all my niggas bossed up
All my niggas got bad bitches don't none of us give a fuck
I'm always on the way to get the money, don't never ask me where I'm going

Fell asleep on a jet, woke up in a foreign
