

Your Heart Is As Black As Night

Beth Hart & Joe Bonamassa

Your eyes may be whole
But the story I'm told
Is that your heart is as black as night
Your lips may be sweet
Such that I can't compete
But your heart is as black as night[Repeat x2]
I don't know why you came along
At such a perfect time
But if I let you hang around
I'm bound to lose my mind
'Cause your hands may be strong
But the feeling's all wrong
Your heart is as black a night Your heart is as black
Oh, your heart is as black as night
Ah-ah ooo
