

The Heart Is Blind

[Shania Twain](#)

I hear the slamin' of the door there you go again
I can take it anymore that's just the way it is
Ooh but then I listen' to my heart and the anger fade
I wanna hold you never let you go away
I feel a raging war inside
A battle between the heart and mind
But love wins when I close my eyes
The heart is blind, it will not see
When hope is gone, the heart will still believe
I see you go with tearful eyes
But for the sake of love, the heart is blind
I know there's been a lot of nights when we couldn't sleep
The words are like a knives, they cut so deep
Ooh but when I listen to my heart it's deeper than the pain
Ooh I really love you, that's all that matters anyway
I feel a raging war inside
A battle between the heart and mind

But love wins when I close my eyes
The heart is blind, it will not see
When hope is gone, the heart will still believe
I see you go with tearful eyes
But for the sake of love, the heart is blind
I'll always love you and hard times will only
Make us strong if we keep holdin' on
The heart is blind, it will not see
When hope is gone, the heart will still believe
I see you go with tearful eyes
But for the sake of love, the heart is blind
The heart is blind, it will not see
When hope is gone, the heart will still believe
I see you go with tearful eyes
But for the sake of love, the heart is blind
