

Whiskey (feat. A\$AP Rocky)

Maroon 5

[Chorus]

Leaves are fallin', it's September
The night came in and made her shiver
I told her she could have my jacket
Wrapped it tight around her shoulders
And I was so young 'til she kissed me
Like a whiskey, like a whiskey[Verse 1]

I never knew that love was blind
'Til I was hers, but she was never mine

Yeah, I was reckless
But I let it burn, I let it burn, yeah
The feeling, it was bittersweet
Realizing I was in too deep
She was a lesson
I had to learn, I had to learn, yeah

[Pre-Chorus]

I used to try to forget her
But now I smile when I remember[Chorus]

Leaves are fallin', it's September
The night came in and made her shiver
I told her she could have my jacket
Wrapped it tight around her shoulders
And I was so young 'til she kissed me
Like a whiskey, like a whiskey[Verse 2]

Would've left this world behind
Just to wake up by your side
Every mornin' I
Would've sold my soul for a little more time
Would've waited a thousand nights
If she never said goodbye
I admit that I

Would've sold my soul for a little more time

[Pre-Chorus]

I used to try to forget her
But now I smile when I remember[Chorus]

Leaves are fallin', it's September
The night came in and made her shiver
I told her she could have my jacket
Wrapped it tight around her shoulders

And I was so young 'til she kissed me
Like a whiskey, like a whiskey[Verse 3: A\$AP Rocky]
I ain't like the other Cognacs
Or type of cat that'd never call back
Or lose contact when you runnin' out of rum and you make a run
(Feelin' light and dizzy, might be tipsy)
All of that tequila's a killer, little vodka
Break her off somethin' proper
Pop a cork and play spin the bottle
(Every time you kiss me, like some whiskey)
Punch drunk love, it's a fine line
Dom Pérignon, she the fine wine
Someone call 911, I'm runnin' out of time
She done got off my heart[Chorus: Adam Levine & (A\$AP Rocky)]
Leaves are fallin', it's September (woah)
The night came in and made her shiver
I told her she could have my jacket
Wrapped it tight around her shoulders
And I was so young (so young)
'Til she kissed me (yeah)
Like a whiskey (yeah)
And I was so young (so young)
'Til she kissed me
Like a whiskey, like a whiskey
