

# Jerome

## Zella Day

(Verse 1) When I was 17, my father said to me, a wealthy man had the things I wanted  
Cole miner diamond ring,  
the house he built for me,  
I made a promise to keep them haunted in my (Pre Chorus) blue dress, satin neck  
taking every piece of my soul,  
blue dress faded black, look me in my eyes as they close (Chorus) Jerome, Jerome  
Jerome oh why you treat me so cold  
Jerome, Jerome  
Jerome the only love I've ever known (Verse 2) he was a quiet man,  
with blood stains on his hands,  
the silver kissed him with scars so heavy,  
I waited patiently, harmonic summer breeze  
the dessert echos that drove me crazy in my (Pre Chorus) blue dress satin neck,  
taking every piece of my soul,  
blue dress faded black,  
look me in my eyes as they close (Chorus) Jerome, Jerome  
Jerome oh why you treat me so cold  
Jerome, Jerome  
Jerome the only love I've ever known (Bridge) Hold me I'm not breathing  
Hold me I'm not breathing,  
Taking every piece of my soul,  
blue dress faded black,  
look me in my eyes as they close (Chorus) Jerome, Jerome  
Jerome oh why you treat me so cold  
Jerome, Jerome  
Jerome the only love I've ever known Hold me I'm not breathing  
Hold me I'm not breathing  
Hold me I'm not breathing  
Hold me I'm not breathing  
Hold me I'm not breathing  
Hold me I'm not breathing
