

# Shame on the Night

Dio

Shame on the night  
For places I've been  
And what I've seen  
For giving me the strangest dreams  
But you never really know just what they mean  
Oh so shame on the night  
Oh right And shame on you  
You've stolen the day  
Snatched it away  
But I saw the sky  
An I never want to die  
Now you know the reason why  
I said, oh shame on the night You don't care what you've done  
So I think I'd better run Shame on the sun  
For the light you sold  
I've lost my hold  
On the magic flame  
And now I know your name  
Oh Lord just go the way you came again  
Oh shame on the night You don't care what you've done  
So I know I'd better run Shame on the night  
For places I've been  
And what I've seen  
Forgive me the strangest dreams  
You never, never, never, never know just what they mean  
And oh shame on the night You don't care what you've done  
Here I go I've got to run
