Raining Sunshine

Miranda Cosgrove

Sunshine, sunshine, raining sunshineWhen you think all hope is gone
There's a place somewhere beyond
Take a chance and realize
It's right before your very eyesLeave the dark clouds far behind
And step outside, the weather's fineIt's raining sunshine
It's raining sunshine
All over mankind
It's raining sunshineAs real as it can be
Believe in what you see
It's not just in your mind
It's raining sunshineSunshine, sunshine, raining sunshine
Sunshine, sunshine, raining sunshineSomething's in the atmosphere
Don't be scared of what you fear
Look around the storm has passed
Just hurricanes of happinessRaise up your umbrellas high
And stand beneath the clear blue skyIt's raining sunshine
It's raining sunshine
All over mankind
It's raining sunshineAs real as it can be
Believe in what you see
It's not just in your mind
It's raining sunshineToo many wonders to explain
Rays of sunlight, drops of rain
Coming down from up above
Cloudy with a chance of loveCan't you feel it in the air?
Sweet sensations everywhere
Whatever weather is in store
Bring it on, cause I want moreSunshine, sunshine, raining sunshine
Sunshine, sunshine, raining sunshineIt's raining sunshine
It's raining sunshine
All over mankind
It's raining sunshineAs real as it can be
Believe in what you see
It's not just in your mind
It's raining sunshine
