

# Raining Sunshine

Miranda Cosgrove

Sunshine, sunshine, raining sunshine  
When you think all hope is gone  
There's a place somewhere beyond  
Take a chance and realize  
It's right before your very eyes  
Leave the dark clouds far behind  
And step outside, the weather's fine  
It's raining sunshine  
It's raining sunshine  
All over mankind  
It's raining sunshine  
As real as it can be  
Believe in what you see  
It's not just in your mind  
It's raining sunshine  
Sunshine, sunshine, raining sunshine  
Sunshine, sunshine, raining sunshine  
Something's in the atmosphere  
Don't be scared of what you fear  
Look around the storm has passed  
Just hurricanes of happiness  
Raise up your umbrellas high  
And stand beneath the clear blue sky  
It's raining sunshine  
It's raining sunshine  
All over mankind  
It's raining sunshine  
As real as it can be  
Believe in what you see  
It's not just in your mind  
It's raining sunshine  
Too many wonders to explain  
Rays of sunlight, drops of rain  
Coming down from up above  
Cloudy with a chance of love  
Can't you feel it in the air?  
Sweet sensations everywhere  
Whatever weather is in store  
Bring it on, cause I want more  
Sunshine, sunshine, raining sunshine  
Sunshine, sunshine, raining sunshine  
It's raining sunshine  
It's raining sunshine  
All over mankind  
It's raining sunshine  
As real as it can be  
Believe in what you see  
It's not just in your mind  
It's raining sunshine
