

I Believe in Love

Kenny Loggins

I see faces
Covered up and empty-eyed
Empty spaces
Where there used to be a soul inside
Nothin' and no one ever gets to them
Seems the wind could blow right through them
Believin' in gods that never knew them
I believe in love I believe in love, I do
I believe in feelin' good
I'm feeling love
(Feeling love is feeling good)
I believe in love
Feeling love is feeling good
Worry
Climbin' up your money tree
You've got to hurry
Monkey do what the monkey see
You're on a one-way street and you're speedin'
Missin' the signs you should be readin'
Passin' the things you'll later be needin'
I believe in love I believe it, nobody sold me
Always knew it, nobody told me
I believe in someone to hold me
I believe in love I believe in love, I do
I believe I'm feelin' good
I'm feeling love
(Feeling love is feeling good)
(Feeling love is feeling good, I believe in love)
(Feeling love is feeling good)
I believe in love
(Feeling love is feeling good, I believe in love)
Feeling love is feeling good
(I believe in love)
Feeling love is feeling good
(I believe in love) I'll never be lonely
Sleepin' in an empty bed
Shouldn't be only, just a place to rest my head
But I don't want to find myself one day
Wakin' up and lookin' at Monday
With some 'whats-her-name' left from Sunday
I believe in love I believe it, nobody sold me
Always knew it, nobody told me
I believe in someone to hold me

I believe in loveI believe in love, I do

I believe I'm feelin' good

Everybody should

I believe I'm feelin' good

Believe in it

Believe in, love
