

Avalanche

Sentinel

How could any lover feel so good?
Oh they told me it would hurt! So what!
I was hanging on the words you said! Oh you uttered the words!
Oh I never thought you'd feel so good.

Cinnamon & Sugary boy to gaze on.
It's an avalanche love and how could they not believe us.
Cinnamon & Sugary boy to gaze on.
It's an avalanche love and I don't ever want to save us.

How could any lover last so long?
Oh they told me it would end...so what?
I was hanging on the songs you sang...oh you uttered the words!
Oh I never thought you'd last so long.

Cinnamon & Sugary boy to gaze on.
It's an avalanche love and how could they not believe us!?
Cinnamon & Sugary boy to gaze on.
It's an avalanche love and I don't ever want to save us.
