

Otherside

Delta Spirit

It's in my head
It's a relief
The sweet sound that I don't want to leave
Kickin' around In the back of my mind
It stays there and just won't let me be Meet me on the other side
Meet me on the other side
Well I can't be honest with myself
No, I wouldn't believe a word I say Put up a wall
I've been climbing up the wall
To an end and still I can not see
Tell me I'm wrong
Tell me if I'm wrong or right
Tell me so I can let this be Meet me on the other side
Meet me on the other side
Well I can't be honest with myself
No, I wouldn't believe a word I say Meet me on the other side
Meet me on the other side
Well I can't be honest with myself
No, I wouldn't believe a word I say Meet me on the other side
Meet me on the other side
Well I can't be honest with myself
No, I wouldn't believe a word I say I can't be honest with myself
No, I wouldn't believe a word I say
I can't be honest with myself
No, I wouldn't believe a word I say
