

Rain

SWV

Sometimes as soft as a myst of rain
That gently touches my soul
It cools the fire that burns in me
And I simply lose control
So just
Rain down on me

(On)

Let you're love just fall like raindrops
Rain on me

Just

Rain down on me

(On)

Let you're love just shower me
Just rain on me
Full as a dam at capacity
My passions about to explode, yeah
I can't escape, it's surrounding me
I'm caught in a storm

That I don't need no shelter from
Rain down on me
(On)

Let you're just fall like raindrops
Just rain on me

Just

Rain down on me

(On)

Let you're love just shower me

Just rain on me
Shower me

Sprinkle me

Fall down on me

(Let you're love just fall on me)

Fall down, fall down on me

Let it

Fall down, fall on me
Just

Rain down on me

Chill me with your varying time

Rain on me

I wanna feel now just like raindrops

Just

Rain down on me

Me

Rain on me

Oh baby Rain down on me
(On)
Let you're just fall like raindrops
Rain on me
Just
Rain down on me
(On)
Let you're love just shower me
Just rain on me Sometimes as soft as a myst of rain
