

Your Bedtime Story is Scaring Everyone

In Flames

Find time,
And play with innocence,
Like you ever would,
Doesn't seem to make any sense,
I guess you deliver misery,
Just like you should,
Oh, nine o'clock,
And you paint the skies gray,
It's not your fault,
We're the ones who betray,
But how can you say with such ease,
Wanna take a stand,
Or you just wanna fight,

Your bedtime story is scaring everyone,
You make me understand the evil that men do,
The evil that men do
