Digging In

Big Wreck

I wish you'd call in, you're getting ripe on the vine.
So (royal cunning?), you're just wasting your time again
How's your 40, yeah?
You're really diggin' in now.So guess who wrote me?
As it turns out he was right.
Said you can quote me.
She got plenty to hide from him.
How's that 40 now?
Mmm, we're really diggin' in now.CHORUS
It was supposed to be you and I to the end of the road.
But who could believe that now.
It was so easy to say we're all getting what we deserve.
And now we've both been served.
And I wasn't kidding.Where's all the money
You've been spending it right.
Just take a weekend, high rolling on a New York night
I love money, yes. (?)
You're really diggin' in now.You missed your calling, you're really doing it right.
You fill you wallet
Your gold tickets' really dynamite (dynamite!) (?)
How's that 40 now?
Ooh, you're really diggin' in now.It was supposed to be you and I to the end of the road
But who could believe that now
It was so easy to say we're all getting what we deserve
And now we've both been served.SOLOWell I said It was you and I to the end of the road.
But who could believe that now.
I guess you could say we're both getting what we deserve.
And now we're both without.It was supposed to be you and I to the end of the road.
But who could believe that now.
It was so easy to say we're all getting what we deserve.
And now we've both been served.And I wasn't kidding.
Oooh, we're really diggin' in now.
You're really diggin' in now.
