

Will To Believe

Clarence Clarity

Just to be seen as honey
Dripping as a pimp spunks money
Just to be cute and heartless
Flicking at a tongue-tied sonnet
And healers
Believe in
Liars!
Believe in freedom
Heathens
Dreamers
All Liars
Believe In Freedom, I changed
I flaked.
Little pink petals off my back,
Like rain
Crazed
Debased
Gold pig peppered, strung up
Like game
And healers
Believe in
Liars!
Believe in freedom
Heathens
Dreamers
All Liars
Believe In Freedom, And the heart can't always feel it
But the head can always dream it
And then stop dreaming, be it:
And I will.
