Cold War

Janelle MonaÌ•e

So you think I'm alone?
But being alone's the only way to be
When you step outside
You spend life fighting for your sanityThis is a cold war
You better know what you're fighting for
This is a cold war
Do you know what you're fighting for?If you wanna be free?
Below the ground's the only place to be
Cause in this life
You spend time running from depravityThis is a cold war
Do you know what you're fighting for?
This is a cold war
You better know what you're fighting for
This is a cold war
You better know what you're fighting for
This is a cold war
Do you know what you're fighting for?Bring wings to the weak and bring grace to the strong
May all evil stumble as it flies in the world
All the tribes comes and the mighty will crumble
We must brave this night and have faith in loveI'm trying to find my peace
I was made to believe there's something wrong with me
And it hurts my heart
Lord have mercy, ain't it plain to see?This is a cold war
You better know what you're fighting for
This is a cold war
Do you know what you're fighting for?KELLINDOOOOOOOOOOO!Do you know it's a cold, cold war?
Do you, do you... do you?Bye, bye, bye, bye
Don't you cry when I say goodbye
