

# Don't Wanna Lose You

Lionel Richie

You know it's taken me a long time, baby, to realize  
How much you mean to me, I don't wanna lose you  
Times are hard, my spirits are weak, oh yeah  
Everything seems to be going wrong, outlook's bleak  
You know I fooled around playing the field  
That's when I found that your love was real  
No, I haven't treated you so right  
But I won't lose your love without a fight  
I'm gonna hold on to the love we have together  
Hold on, don't you say goodbye  
Tell me now before we lose forever  
Girl, I don't wanna lose you  
Girl, I've got to have your sweet loving  
'Cause without it, girl, I'll just lose my mind  
The way you hold me comforts me and shows me  
That a love like yours is hard to find  
I need your loving every day and night  
Your kinda lovin' makes me feel alright  
Hold on to the love we have together  
Hold on, don't you say goodbye  
Want you to tell me now before we lose forever  
Girl, I don't wanna lose you now  
No, I don't want to lose you now, hey  
Baby, don't go, baby don't go, not now  
Baby, don't go, I need you by my side girl, yeah  
Baby, don't go, I love you so  
And I don't wanna lose you  
You know it took me a long time to finally realize  
That a good thing is hard to find  
That's why I'm standing right here with you today, girl  
I wanna keep you forever, I've come to my senses, girl, you know  
I don't wanna go anywhere, I'm coming home  
Hold on, what we got, baby  
Hold on, just can't say goodbye, no no not now  
Tell me now before we lose forever  
Girl, I don't wanna lose you now  
Don't wanna lose you now  
Hold on, got to hold on  
Hold on, don't say goodbye  
Don't say goodbye, not now  
Tell me now, got to live our lives together  
Girl, I don't wanna lose you now  
I don't wanna lose you, baby  
Don't wanna lose you now, I need you
