

# For the Good Times

Kenny Rogers

Don't look so sad, I know it's over  
But life goes on and this old world just keeps on turning  
Let's just be glad we had this time to spend together  
There's no need to watch the bridges that we're burning  
Lay your head on my pillow  
Hold your warm and tender body next to mine  
Hear the whisper of the raindrops beating soft against the window  
And make believe you love me one more time  
For the good times I'll get along, you'll find another  
And I'll be here if you should find you ever need me  
Don't say a word about tomorrow or forever  
There'll be time enough for sadness when you leave me  
Lay your head on my pillow  
Hold your warm and tender body next to mine  
Hear the whisper of the raindrops beating soft against the window  
And make believe you love me one more time  
For the good times
