We Are Rockstars (DJ Echa Rawkout Mix)

Does It Offend You, Yeah?

YeahYou're all rock stars now in a network town
There's no place to go, to be on your own
Making friends and foes watch the network growWill you find a time
When you're not online, standing all aloneWhere's your real friends now?
You have let them down, you're a download palYeahYou're all rock stars now in a network town
There's no place to go, to be on your own
Making friends and foes watch the network growWill you find a time
When you're not online, standing all aloneWhere's your real friends now?
You have let them down, you're a download pal
