

# Spirit of Victory

## Steignyr

In my dreams I saw  
an evil force  
Who tried to steal my soul  
when it came

Now I see how destiny  
call's me  
Spirit of Victory  
is waiting me

My unashed beast starts to run

At midnight the moon is crying in my dreams  
Battle horns are fighting for me  
Now the world is too dark  
for any mad wish

The time has gone  
for ancient Gods  
Now we'll take their souls  
for our victory

When the sun falls down  
they'll try to steal the lands  
We need the spirit, to change  
the destiny of wind  
They only want it for the pain  
We need the spirit, to say  
the words of victory  
They only want it for pain

We came from the north  
where the stars die in silence  
We lived to be  
as the spirit of victory  
At night when the wolfs  
are alone in the darkness  
My soul is in peace  
like the spirit of victory.
