Pickin Up the Pieces

Poco

Well, there's just a little bit of magic
In the country music we're singin', so let's begin
We're bringin' you back down home where the folks are happy
Sittin' pickin' and grinnin', casually, you and me
We'll pick up the pieces, uh-huhSomebody yelled out at me, country music and company
Kind of makes it in a Sunday afternoon
Picnic lunches of yesterday should still have a place in your heart today
Think it over 'cause we'll all be goin' home so soonWell, there's just a little bit of magic
In the country music we're singin', so let's begin
We're bringin' you back down home where the folks are happy
Sittin' pickin' and grinnin', casually, you and me
We'll pick up the pieces, uh-huhIf ya had the time to stay would you sit yourself down and play
Country music, singin' songs that we both knew
Lord, I know that the day will come
When the both of us'll sit down and strum on our guitars
And you'll see I really have a lot like youOh, there's just a little bit of magic
In the country music we're singin', so let's begin
We're bringin' you back down home where the folks are happy
Sittin' pickin' and grinnin', casually, you and me
We'll pick up the pieces, uh-huhOh, there's just a little bit of magic
In the country music we're singin', so let's begin
We're bringin' you back down home where the folks are happy
Sittin' pickin' and grinnin', casually, you and me
Oh, pick up the pieces, uh-huh, uh-huh
