

Inside Out

Alphaville

Your hand full of hours - Sand from the urns
A travelling companion - The secret of ferns
From Darkness to darkness - where shall I begin
When whiteness attacked us - Sewn under our skin
And there were the stars that helped to navigate our souls
WITH ALL MY LOVE - I WENT INTO THE WORLD
FROM INSIDE OUT - AND I GAVE IT ALL TO YOU
BUT I NEED YOUR LOVE - THAT WAS LOOKING FOR ME
JUST ON MY LIPS LOOK FOR YOUR KISS
And always I think where we might have gone
If we'd never met inside this song
Our names are enciphered - But the words became true
When I was the sun and you, you were the moon
And there were the stars that helped to navigate our souls
WITH ALL MY LOVE. . .
