

# Long Time (Vibe to This) (GetRightMusic.com)

[Mike Posner](#)

Well, it's been a Long Time, Long Time, now  
Since I've seen you smile, aaahhaa  
And I will gamble with my time  
I will gamble with my fight[Chorus]  
Well, It's been a Long Time! [x2]  
It's been a Long Time!  
Well, It's been a Long Time![Bridge]  
WOO! [x2]It's been a Long Time, Long Time, now  
Since I've seen your smile, aaahhaahaa, yeah  
And if I gamble with my time?  
Would you let me inside?[Chorus]  
Well, It's been a Long Time! [x2][Bridge]  
WOO! [x4][Outro]  
Yeah! I think it needs one more to end it though...  
There we go
