Love Generation

Bob Sinclair ft. Gary 'Nesta' Pine

From Jamaica to the world
It's just love, it's just love, yeahWhy must our children play in the streets?
Broken hearts and faded dreams
Peace and love to everyone that you meet
Don't you worry, it could be so sweetJust look to the rainbow, you will see
Sun will shine till eternity
I've got so much love in my heart
No one can tear it apart, yeahFeel the love generation
Yeah, yeah, yeah
Feel the love generation
C'mon, c'mon, c'mon, c'mon, yeahFeel the love generation
Yeah, yeah, yeah, yeah
Feel the love generation
Ooh, yeah, yeahDon't worry about a thing
It's gonna be alright
Don't worry about a thing
It's gonna be alrightDon't worry about a thing
It's gonna be alright
Gonna be, gonna, gonna, gonna be alrightWhy must our children play in the streets?
Broken hearts and faded dreams
Peace and love to everyone that you meet
Don't you worry, it could be so sweetJust look to the rainbow, you will see
Sun will shine till eternity
I've got so much love in my heart
No one can tear it apart, yeah
