

The Bitter Pill

Warrant

Sometimes I'm lost and then I'm found
Sometimes I feel turned inside out
I'm often silent when I'm screaming inside
Instead of love, we tend to hate
We never quite appreciate
How much the other person cares or tries
Hold me close, don't ever let me go
'Cause I'm confused
But maybe someday I will know why
Sometimes I'm right as rain
And when it rains it pours
You're such a mystery
Why can't I unlock the door? All that glitters isn't gold
Too much is overkill
Love can be beautiful
Or a bitter pill
And when I'm right, I'm also wrong
We give and take to get along
There's so much more
To this than I ever dreamed
And when you smile, I have to laugh
And when you cry, I'm torn in half
So calm and yet so loose at the seams
Oh, hold me close, don't ever let me go
I'm confused
But maybe someday I will know why
Sometimes I'm right as rain
And when it rains it pours
You're such a mystery
Why can't I unlock the door
All that glitters isn't gold
Too much is overkill
Love can be beautiful
Or a bitter pill
Liebe kann eine bittere pille sein
Eine bittere pille
Liebe ist eine bittere pille
Eine bittere pille
Liebe kann eine bittere pille sein
Ich will ein bier
Ich will besoffen sein
Die ganze welt ist dumm
Mir steht es so im hals
Ich sage dir
Die liebe kann nur lüge sein
Hold me close, don't ever let me go
'Cause I'm confused
But maybe someday I will know why
Sometimes I'm right as rain
And when it rains it pours

You're such a mystery
Why can't I unlock the door? All that glitters isn't gold
Too much is overkill
Love can be beautiful
Or a bitter pill or a bitter pill
