King Of Earth

Elf Power

King of earth with eyes of fire burned a hole inside of me
Took me out across the water, now his face is all I seeKing of earth has always known me, always shown me all I've seen
Took my hand and lead me forward, knowing what was meant to beKing of earth with one eye open watching over all the time
Now he walks along beside me, tracing pictures in my mindAll the world is singing for me, still his voice is all I hear
Things get colder, feeling older, as the bright lights disappear
