

# To Tame a Land

## Iron Maiden

He is the King of all the land  
In the Kingdom of the sands  
Of a time tomorrow He rules the sandworms and the Fremmen  
In a land amongst the stars  
Of an age tomorrow He is destined to be a King  
He rules over everything  
In the land called planet Dune Body water is your life  
And without it that you would die  
In the desert the planet Dune Without a still suit you would fry  
On the sands so hot and dry  
In a world called Arrakis It is a land that's rich in spice  
The sand riders and the mice  
That they call the 'Muad'Dib' He is the Kwizatz Haderach  
He is born of Caladan  
And will take the Gom Jabbar He has the power to foresee  
Or to look into the past  
He is the ruler of the stars The time will come for him  
To lay claim his crown  
And then the foe  
Yes they'll be cut down  
You'll see he'll be  
The best that there's been  
Messiah supreme  
True leader of men And when the time  
For judgment's at hand  
Don't fret, he's strong  
He'll make a stand  
Against evil and fire  
That spreads through the land  
He has the power  
To make it all end
